“ I will miss your smile and the conversations you, Vivian and I would have at the American Legion. Chris probably met you at the gates with a beer for you and keys to a heavenly motorcycle. Ride in peace my friend.

“ I had forgotten how handsome he was! And such a great sense of humor, just like Uncle Harry! I have such great memory's of him.I remember how sometimes everyday Daddy would have him in a thumbhold and say"betcha I can make you say uncle". Little Harry would shake his head and say"No you can't".Daddy kept on pulling his thumb back till Harry would yell"uncle". Then daddy would laugh and say"now dance yankee doodle" and of course Little Harry would dance yankee doodle! They loved each other very much and loved doing it so they did it often! I love all my family and will surely miss you Harry Dunner! With love forever, your cousin Martha Taylor Cottrell
