“ *My sympathy and prayers go out to the Watlington family. So sorry to hear about Herbert passing. I remember the family so well from when I was a young girl. I use to go to their house and Ester would teach me to cook and I loved her and this family like my own. I went to school with some of the kids and they were such a loving family. So thankful I had the pleasure of meeting all of you and becoming friends. God Bless the Watlington family.*
