“ I just heard of Miss Hilda passing. Oh how I loved her so much! I was able to see her servant heart for the Lord and His children when I was an Intern at WBC in 2001. That was my last summer home and when I returned it was never a complete trip unless I saw her. I can only imagine the worship service it must have been at her funeral. I praise God that I was able to see and know such a disciple of God! I praise Gods name that I was able to see an example of how to praise Gods to the end of your days. I bet she is just singing and hugging everyone in Heaven!

“ *Barbara,*
I am so sorry to hear of your mother's death. She was one terrific lady!!! I remember her as being very nice and pleasant to all the students at Wynne High School. Also, she was one of my favorite customers, when I worked at Cross County Bank. But most of all she was the example of how we all should be if we are a Christian. She always prayed for me and my husband Bobby (when he was ill). She will be missed here on this earth, but is an added treasure in Heaven!!!
