“ I was really sorry to hear that Hubert had died. He was always a joy for me to be around, and I have great memories of him. He told great stories. He was a tremendous help to our family, and we will always be grateful to him for his work on Wild Acres Farm. He was the best duck caller I ever heard, and he had a very distinct duck calling style. I have a VCR recording of him, and it's something I cherish. If you would like a copy of it please let me know. My email address should be displayed. My phone number is (501)580-7787. I'm sorry I was unable to come over for the visitation and the service. I wish I could have told you these things in person. God bless you all and God bless Hubert.
