“ Clark and family, I am so sorry for you and your family. Mr. Hill always has been one of my favorite teachers and even today when we had faculty meetings as a district - he always came to say hi and tell me he was proud of me for achieving my goals. I am so thankful that so many students were blessed by his teachings and that I was able to not only be a student of his, but to also work in the same district. I am praying for you and the family that you will find comfort. Thinking of you, Tanisha

“ Martha, and Clark, I feel so very sad about Hugh. He was in my younger brother's class in school and also attended my church. I was around him all my young life, as well as his parents. It hasn't been that long sinceH Mrs. Hill moved away from McGehee! The wall hangings in our church are a constant testimony of the family's faith. I know you will miss Hugh very much. My thoughts are with your family.

“ I will miss Hugh at our high school reunions and other gatherings, Hugh was probably the best gentleman I've ever met, always kind and with a smile on his face. We grew up together in McGehee and became like brothers and stayed in touch over the years. This is a sad day indeed. God Bless Hugh's family, please know how much we cared for Hugh and shall miss him.

“ Hugh was a classmate of mine in McGehee through elementary, junior high and high school. He was a good person who we all loved. He came to our class reunions and was always the same sweet person and so happy to see and visit with everyone. We are so sad over losing him. I hope he knew how much we cared. As one classmate said, "Hugh was a sweet, sweet soul." That he was. He will be missed by all of us.
