“ Bobby and I are very sorry for your loss. So many memories of White Brothers. I remember mom leaving us in the car and saying, "I'll be right back!" It was a real treat to get to go inside!! I understood this after having kids of my own, but by then we wouldn't dare leave our kids in the car! God bless your family! Love, Annita & Bobby Hall

“ Some of my earliest childhood memories were going to White's Grocery Store with my mom (Grace) on Saturday afternoons. J.C. and Maxine would ALWAYS be there--I sometimes wondered if they slept in the grocery store and never went home! I remember when a new grocery store opened up in Wynne and the temptation was to go there and shop. But I recall our daddy (Vernon) always telling us to "remember your friends". White's was the only grocery store that would give you "credit" and that was so important to a farming community when we lived on our "furnish" and our income came only at harvest time. The White family has a servant's heart and have touched the lives of so many people in Cross County and beyond. When my brother Sammy shared with me that J.C. had died I thought to my self--no, he is more alive today than he has ever been--in the presence of his Lord and Savior Jesus Christ! Maxine, Red, Mike and Penny--dig deep into that treasure chest of great memories and cherish the long life you have had together.
