“ My heartfelt sympathy for Jackie's family. Jackie was my best friend since 10th grade. We played football together and hung out together. After school we stayed close as friends .He was there if I needed him and I for him. We rode our Harleys to Florida and all over the midwest. We even rode thru a hurricane once to get to Panama City. We did just about anything you can imagine together. Although we didn't see much of each other lately due to family & job obligations we still kept in touch. Wish I had known you were about to leave us but you never complained. RIP BROTHER AND RIDE FREE, Jimmy

“ So sorry to learn about my Wynne High class mate and former running buddy Jackie. I last saw him at a reunion. He was a wild man in the early days as most of us were but always a gentle soul.

“ Jackie (his name to his classmates)was a very gentle, nice guy. I remember when the Raymond's moved here... (late 50's from West Memphis, I think,) that the big thing was that Jackie was a boxing "Golden gloves" champion. Although that was true, you would have never known it. Jackie was funny and was a good football player when his leg wasn't broken. (He broke it twice as kicker) I'll miss Jackie. We we're friends for over 50 years. Wherever we met, we would stop and exchange stories and laugh. Ken Proctor, Wynne
