“ *I first met Bobby when he was a teenager and coming out to my neighborhood to visit a young lady.*

Bobby, along with the help from other friends, taught me to water ski. Bobby was an excellent water skier. I have a gun today that Bobby previously owned. Back in the day, Bobby traded guns and we would sometimes go out and shoot together.

I worked several years with Bobby at Halstead.

Rest in peace friend.

“ *There are so many things I could say about Bobby, I've known him since we were teens, but, I will say he was a great friend and great guy. I have not been close to him in many years, but he always had a god heart. He will be missed by many.*
