“ Dr Smith was our first vet with our Rottys. When they accidentally got together and the babies were born. We took mom and babies over to vet. He examined the mom and puppies and said they were perfect. So I ask him wichome did he want, he said well a boy of course. As soon as the mom weaned the puppies, I loaded up a big boy to take to him. We walked in and laid the puppy on the counter. He names the baby Doc Bloodworth Smith. He loved that baby. The entire staff did. Heaven gained a angel. We will miss him and will be prayers for his family. The Glenda and Robert Bloodworth Family.

“ Harmon was a wonderful vet. Animals are such a great judge of human character!
Harmon was such a faithful and encouraging presence at Wynne Presbyterian, a great churchman and servant of Christ. He and his family were generous with their time and resources. I was so blessed to be his pastor for seven years
