“ Paul and I were both so sad to hear of this tragic accident. The next thought I had was that they were able to go to Heaven together. They were truly special, sweet, kind Christian people. Jim and Jane were some of the first people we met when we moved to Wynne. Paul and Jim filmed many Wynne football games together. Our prayers are with Doug and family and all of Wynne.

“ Growing up in a small community like Earle, Arkansas we all knew each others family and they knew us. Uvee King made everyone love her, from small children to grandparents. Her smile lit up the world. She wanted happiness for all the children in her church, her town and her own home. She is loved by so many of us and we are praying for her, her son and grandson.

“ Jane was a Sigma Sigma Sigma member who pledged me as a freshman at ASTC(UCA). She was a beautiful sweet person and I was glad to call her a sister. She was dating this handsome young man, named Jimmy, who was also so nice and sweet to all her sisters. You could just see that young love they had for each other. Although I hadn't seen them in years, memories live on forever and they will make me smile whenever I think of them. I am so sorry for your lose, your parents were loved by so many.

“ I am so sorry to hear of this tragic loss. Mrs. Pitchford was my first grade teacher. She was so kind and beautiful. Mr. Pitchford was a wonderful Principal. Years later, I interviewed him for a college class and he was just as kind as I had remembered him. They will be greatly missed. My sympathies and prayers go out to the family.

“ Jane was one of the girls in Sigma Sigma Sigma who rushed me at ASTC (UCA) She was such a sweet and wonderful person and soon to be sister. She was always an upbeat girl. She had the cutest boyfriend who was also just as sweet and wonderful as she was. Jim took care of all of Jane 's sisters. You could just see and feel that young love they had for each other. I haven't seen either of them in years but you never forget your sisters. Memories will live on until we meet again.

“ Jane would come and help in the elementary school in Earle when we had those awful "Achievement Tests". Students from the high school that were in the Future Teachers of America got to come and monitor the tests with the teachers. I always hoped that Jane would be in my class and she was on occasion! She was truly a beautiful person. My thoughts and prayers are with you.

“ I'll always remember Jane from going through first grade in Earle and seeing her whenever I came back to visit after moving to Wynne. “ Mrs. Jane told Me one time after Jim retired that she couldn't imagine life without him, who would have ever guessed that they would both go home together at the exact same time ? this gives us all something to think about that we are not guaranteed tomorrow.
