“ *My thoughts and prayers are with Jenny's family! I worked with her at ASCS in the sixties! She, Yvonne, Maddie, Charlene and Ina, as well as Mr. Sallings were all so supportive of me as I had just graduated high school! I learned from all of them! My prayer is that you all will cherish your precious memories! May it give you comfort that friends from far and near are praying for you all!*

“ Oh, how I loved you Aunt Jenny. you were one of the first ones that taught me about Jesus. as a little girl I use to run into our church and hug you, as an adult when I see you, I still ran up and hugged you. I can't even imagine how many kids you taught about Jesus. oh, what a great legacy you left behind. Carol, I love you and the rest of the family. thank you so much for sharing your parents with us. I can only imagine the reunion in heaven. she's seen the face of God!!

“ O how I loved Ms. Jenny Belle! She epitomized a woman of God. From her playing piano at church to caring for her family, she had very few equals. Heaven is brighter with her, but earth has lost a little light without her. Prayers for all the family.
