“ *As neighbors and friends, we loved Mr. Jerry Ben and his loving faithful companions - family dogs Dylan and Piper. Jerry was the kind of friend who would readily help in any way he could. He was so easy to talk to, laugh and be friends with. He certainly loved Gods creation, gardening, outdoors, dogs, cats and his home grown tomatoes. My wife Mary, myself and her family loved Jerry for years. He certainly had a wonderful Christian spirit about him, an infectious laugh, easy to talk to and worked very hard for his family in his life. Mary and I salute Mr. Jerry Ben Pilcher with love. See you again soon dear friend!*

“ We have only known Jerry for just over 3 years. He was our backyard neighbor & friend. He shared his gardening secrets with Robert & always shared vegetables. Would come sit on the front porch & visit. He was such a good friend. We will miss him a lot. Fly high Jerry!!! Your friends Robert & Charlotte Lawson.

“ So sorry for your loss, my thoughts and sincere condolences are with the family

Jerry, Rita and I go way back, I lost touch with them when I relocated away from Wynne back in 1992

I have special memories of them both. Jerry and I worked together at Sanyo for years and years. We always enjoyed each other's companionship and always had a good time together.

One of the greatest memories of Jerry, was when Jerry joined me in Martial arts school. In early 1973 Jerry started going with me driving back and forth from Wynne to Memphis (3) times per week. Jerry was a natural, and he really enjoyed his training in American Kyokushinkai, he continued for several months. I was able to find an old pic of us, I hope the family enjoys it as much as I did, it was dated May, 1973

Jerry and Rita both will be always missed, my thoughts are truly with the family.
