“ I just want all of you to know that my thoughts and prayers are with you. I know this is a sad time but just remember that God has a plan and that He is always in control.  
Some of my best childhood memories are centered around being a part of your family and the times we laughed together and cried together.  
I wish I could be there with you but due to health problems I am unable to drive or ride that distance.  
My love to all of you. Yvonne
