“ I'm sure I first met my Aunt Jimmie when I was thirteen when I was 15 years old uncle Jerry and Aunt Jimmie took me with them to one of Uncle Jerry's wrestling in West Memphis Arkansas and I got so upset because I thought they was hurting him Aunt Jimmie took me to the rest room and through her arm's around me reassuring me that he was okay and we bonded right then and there Aunt Jimmie has always been a blessing to me she is one of a kind for sure every time we would get together at family reunions we would talk about and we could talk for hours I love her with all my heart.
