“ Jayne, Shane and the entire family we are so sorry for your loss, our thoughts and sincere condolences are with you and the entire family.

*I just heard about Jim today, so sorry I cannot attend the services, I am in Missouri near Kansas City.*

*Jim, was a dear friend, fellow co-worker and my cousin. Jim and I worked together at Warwick electronics and Sanyo Manufacturing Corporation in Forrest City Arkansas for years and years. I found this old photo from 1978 that someone took of us one day. The picture is not the best, but you can truly see Jim's great smile.*

*We always enjoyed each others companionship and we always had a great time working together. Jim was for sure a go-getter and was well respected as a: manager, companion, superior leader and friend to all employees.*

*Jim, will always be missed by everyone, again we are so sorry for the loss, our thoughts are truly with the entire family.*
