“ *Mr. and Mrs. Stringfellow lived by me when I was a child. They were the sweetest people. Mr. Stingfellow always called me his little girlfriend even as I got older. I would run into him at the store and he always knew who I was and would always give me the biggest hugs. I will always have fond memories of him and his wife.*

“ *Jimmy was in the class of '62. He went to Wynne Public Schools 12 years. He was always very sweet and kind to everyone. He was a very dear friend who gave more to society than most people who didn't have the disabilities that he had. He was always working or volunteering to help someone else.*
Jimmy, my friend, I will miss you and the love you showed to Ted and me these past 50 years. We will see you in heaven when you have a new, perfect body. Rest In Peace.

“ String, as I called him, was much more of a man than many people I know. He overcame many adversities in life. I am proud to have called him my friend. He is walking and talking straight with Mrs. Willene in the presence of our LORD and Savior.
