“ *To the family of Mr. Hohn Logan Clark  
I was very sorry to learn of your loss. We were out of town during this time and only learned of his death in the local News Paper today.  
We lived across the street from him for about six years and became very fond of him and Mrs Tommie.  
We had several nice conversations and I enjoyed greatly the fresh garden items he would bring to us.  
I know he suffered a lot in the last several months and that he is now at pease with the Lord.  
Yours Sherman Pulley*

“ *I am so sorry for the loss of your Dad. I have so many fond memeroies of him leading singing at New Prospect. I remember going home with your family every other Sunday after church and then the next week you would go home with me. He had such a wonderful sense of humor. I know how you must hurt because he was such a wonderful daddy. I also remember your Mother's wonderful cooking and her home made rolls she cooked every Sunday.I will keep you all in my prayers.
