“ I used to go to her house and play with her cats. She loved cats just like I do.

“ I was the administrator at Crestpark in Wynne when Mrs. Johnnie placed her brother, Mr. East, in the nursing home. She was very devoted to him and visited often. She always came into my office to visit a while. I enjoyed that visit so much. She never had anything bad to say about the care her brother received and was always willing to give advice about him as well as other residents. All the residents and staff enjoyed her visits. She will be missed. Charlotte Baskins
