“ *I was so very blessed to be his mother, he was such a sweet loving, kind hearted big bear of a man. He loved being in the woods and close to nature. There are no words to express how much I am going to miss him, the pain and sorrow are all consuming right now. But I know one day I’ll get to have another one of his big bear hugs. I want to thank everyone that has taken the time to post such kind words about my boy, God bless you*

“ I've known Jonathan for a few years, but was only really able to talk to him for any length of time a couple of weeks ago. I'm thankful for that opportunity. He was kind, humble, honest and a pleasure to be around. I wish we had more time together. He will be missed.

“ Johnathan was a pleasure to know. We shared many conversations and many times family was the main topic of which we spoke. I could tell he loved his dearly. He shared about his dog too. He was always willing to go extra mile and help when he could. He was a very humble and kind soul. The loss is great to any who knew him. Miss you my friend!
