“ Stephen, Robert and all family, I wanted to send our family's condolences on Julie's passing. I can't remember a time when I didn't know Julia and I will always treasure when she, Van, and I would go to the movies together during weeknights here in Wynne. They had to have 3 or more people to show the movie so we'd go together and we enjoyed visiting, catching up, and sharing news before and after the movie the way that friends with so many family ties can over many decades can. She was always so proud of her nieces and nephews and loved her family very much. Grace and peace to you all from all the Spence family.

“ Grew up across from one of Ben's pastures on Crowley' Ridge. Met the kids back in the 50's when Ben brought them out to go sledding behind his pickup truck. Dad was a friend with Ben. The last time I saw Julia was at the Revenue office (1989?). My sympathy and prayers for comfort are for Julia's family.
