“ *Blessings In Life And Death By Martha Duke Manley ©*
From the dawning of new life To the fullness of our years, Our lives are filled with many Wonderful blessings.
From the earliest remembrance of our childhood To the faintest memory of the aged, Our minds are filled with many Wonderful blessings.
From the light of a beautiful sunrise To the star studded night, Our days are filled with many Wonderful blessings. From the works of our labor To the much needed rest, Our bodies are filled with many Wonderful blessings.
From all of these, we can see how Gods' blessings work in you and me. But better still, is that one thing Of which the angels all do sing. A soul passing from life unto death, A soul leaving this world for eternal rest, A soul reunited with the Father ... Yes, This is the greatest of all our many blessings. -----
Ashley, you and your family are in our prayers and hearts. The Manley's

“ Jared and Ashley,
I know there is nothing we can say to make things easier. We just want you both to know that we love you both so much. It is reassuring to know that there is a sweet little baby angel watching over us. We can't wait for the day that we all get to praise Jesus face-to-face together. We are here for you both any time!

"But when Jesus saw what was happening he was very much displeased with his disciples and said to them, "Let the children come to me, for the Kingdom of God belongs to such as they. Don't send them away! I tell you as seriously as I know how that anyone who refuses to come to God as a little child will never be allowed into his Kingdom." Then he took the children into his arms and placed his hands on their heads and he blessed them." Mark 10:14-16
Love You!

“ I realize there are NO words that could ease your pain, but after losing a stepdaughter last year, I can tell u that our greatest comfort is knowing that child belonged to the Lord & that we can look forward with the confidence of our salvation that will be with her again one day. I grieve with you for your loss and will be praying for you.
