“ My cuz, she had the biggest hair of anyone. We also imitated the Partridge Family in the early 70's in Bo Burts old house. Kathy played the guitar and sang. I played drums. Kristy...tambourine. Brett...bass. We seriously had a band going on people. Seems like not that long ago. Had a blast, all make believe. Our imaginations and some colored light bulbs. It's all we needed. I miss you Kathy!
