“ Kenny will be missed by all of us...Not only as a very good friend, but also for his cooking expertise. Kenny always manned the grill for us for our special occasions. He always enjoyed coming to Wynne for this and we always enjoyed having him. He will be missed by all.

“ My thoughts and prayers to all of Kenny's family and friends during this time. I first met Kenny when he was transferred up to manage the United Medical store in Springdale back in 2004. We quickly became good friends and I often thought of him as a brother. After Kenny was promoted to Area Manager for United Medical we didn't get to see each other as much. I remember lots of fun times when he and Cuz were living here in Springdale. Kenny Wayne, you were loved by many and will be missed by all.
