“ Kenny was a loving father to his daughter, Melissa. He was a loving grandfather also. He was the kind of person who would do anything to help anyone. I cannot say enough good things about how much he was there for my parents, Fred and Lola Johnson. How he helped save my nephew's life after a tractor accident. We were blessed to have him in our lives. I will do my best to be there for our daughter, Melissa. His passing is a shock and still very hard to believe it has happened. Kenny, give our baby son Allen a hug from me in Heaven. I am so glad you finally had a happy life.....just gone too soon.

“Kenny lived with us on the farm near Newport for awhile during his teen years. He was like a son to us. We will always remember his contagious smile, his generosity and his "people" personality.
