“ *Uncle Roger was always so kind to me. As a young teen , it was difficult moving to Arkansas from California. I was unhappy. He came for a visit and saw my unhappiness.*  
*He pulled me aside to talk and gave me a encouragement , kindness and made me laugh. He was an amazing musician and I was in awe of his natural talent. Even though we are separated by miles and years I will always remember my uncle with love and affection.*

“ Roger has left an empty space in our family that can never be filled. I miss his music and his crazy jokes and being around him. Now I believe he is enjoying his reunion with Glendora and Aunt Mary, and the rest of the family that has gone on home. You may be gone , but you are just a memory away
