“ *Brenda, I am so sorry to hear about the death of your daughter. May God grant you peace in knowing she is well now and with Jesus, where we all hope to be some day and we can see our loved ones again. I know I will love seeing Mother and Dad again. I'll give her the biggest hug. She always thought so much about you and talked about you very dearly while you were at the shoe factory. If there is anything I can do for you please let me know. God Bless you today and everyday.*
