“ *Kim was a great friend to me when I lived in Marianna. I moved to Magnolia AR in 1978. We wrote letters for awhile then lost track of each other. I do have her sisters on Facebook but I don't think Kim had it. She always brought her lunch to school. But we was poor and had to eat lunch room food haha..jk.*

“ Kim and I were best friends in high school. As young adults, we lost touch. I have been trying to find her for years. I can't believe she's lived so close to me all these years. I am so sorry to hear of her passing. I will definitely be praying for her family.
