“ Only today, Sat., did I find out that my best friend passed. Lea, I'm so sorry I was not at your funeral. Though we have been apart for many years, we have kept in touch. I love you, as did many of your friends, you lit up our lives until at such a time that you begin hurting from disease. You did so much for those who couldn't help themselves. Heaven is a better place because you are there. Love, your friend thru the ages.....Venita
