“ Daddy if you only knew how much I loved you! We had our rounds because we both were stubborn but, I can look back and remember how funny they were. I'm so thankful to God I got to spend the last 10 yrs taking care of you. I hope I made you proud. I will miss our talks and our Riverbank fishing. Even though I told you the fish was going to get your plow and sure enough it did. Good thing you brought two. I'm going to miss you so much! It will be so lonely without you here. You will be in my heart and every time I catch a fish, I will know you told it to bite my hook. Gods got you and you're in your new body and you're not sick or hurting anymore and I know it was hard for you to let go because you loved us, and you loved life. But sweet dad you can catch all those fish in heaven now and I know it's beautiful there. One day I will see you again and that will be a wonderful day when I get that hug and I can tell you I love you once more. Not goodbye it's see ya again. One day. Tina

“ *To McMaster Family:*

*I moved to Wynne in 1961 and shortly after moving here Mr. Lee Roy and his wife were some of the very first people I met. It was always a treat to spend time with him. I am deeply saddened by his passing but like all of you we know where he is and we know we will see him again and this time it will be Forever. Until that time let God's Love keep you strong. Let us all rejoice in the Memories he leaves behind. My Love and Prayers are with each of you.  
May God Bless,
