“ Linda, Vicki, Henry and children. We have you in our prayers during this sad time of grief. Leota, Aunt Dodie, as we knew her, was one of the sweetest ladies I know. I will always remember how calm and patient she remained while dealing with many trying situations many years ago. No matter how difficult things might be she always had that sweet little smile and twinkle in her eyes. And she was also a beautiful lady both inside and out ! we hated that we were unable to travel to her funeral service but was unable to. I am so glad that Sam and Sandy were able to attend visitation. You all are still in our prayers. We love you all. R.J. and Marilyn Nooner
