“ *My thoughts & prayers go out to the family of Mrs. Liberty. I heard lots of stories about her from Tommy and had the privilege of meeting her several times when she would visit Tommy & Jennifer. She always had a very warm and loving spirit about her, especially during the time she would call to check on Grant while he was staying with me after the wreck. I know she will be missed by many friends & family. May God bless each of you during this time of loss.*
