“ I wish I could have met more of the Lessenberry clan. My grandfather was Ben and he always talked about his big family in Cross County.

“ Dear Benne, Bob & families...Pete phoned me this morning with the news of Louise's passing. I am sending my prayers and hope you know that I have many fond memories from all of us growing up together and also of Louise & Fred's friendship with Daddy & Sarah. I will never forget that Louise made my wedding dress as my wedding gift, and that meant so much to me. I'm unable to attend services, but please know that I send my love...Mary
