“ I am so sorry Judy. I know that this means "no more suffering for Aunt Louise". You have been so brave and caring as you have watched after your Mother for so many years now. So many of our loved ones have gone on before her and oh what a rejoicing there must have been at the gates of HEAVEN. I so hope you are regaining your strength little by little. I love you Judy and pray that God will help you as you walk through your grief. So wish I could be there for you as you were there for me so many times in the past.
Love, Loretta
