“ I was very sad to read of the loss of your mother and grandmother, Mrs. Jeffers. You have my deepest sympathies. I had the privilege of being in Mrs. Jeffers sixth grade class in the Wynne Public Schools. She was one of the best teachers I ever had. I often think of Mrs. Jeffers when I hear a patriotic or folk song because we always sang in her class. She probably taught me most of the folk songs I know. In addition, she was always cheerful and encouraging and managed to make learning fun. I know that your family will miss her.
