“ Lynne and I have been special friends since we taught at Holy Cross together in the early 70's . We have stayed close through all these years since , with Lynne and Jr. visiting us in Wintergreen, Va. a few years ago. We picked them up in Charlottesville at the airport and spent 4-5 days together. That was the last time we saw each other, I'm sorry to say. We did talk from the hospital last week, thank goodness. Lynne's at peace now and I know we will see each other again. Love you, BettyDriver
