“ *Your Mother was such a beautiful "Lady" always had a smile. I picked cotton for Mr. & Mrs. Manley & went to school with John & Linda. It seems there was another daughter that I don't remember. Your Mother will be missed deeply. May God comfort you & your family during this time.*

“ John, Linda and Judy,
Mama and I send our condolences to you all. We wish we could be there but are unable to come. Your Mama was such a blessing to us all over the years and she made us feel so welcome in your home when we were growing up. She is in a much better place now and she is having your Dad show her all over heaven! You all take care and know that we love you all.

“ I was just thinking about the first time I met Mrs. Manley. She and Mr. Manley were at Judy's home on West College. They were both outside in the yard when Judy and I arrived. Mr. Manley was coming toward us from the backyard and Mrs. Geneva was standing on the sidewalk in front of the front porch. I can remember thinking how pretty Mrs. Geneva was. She looked like she had just come from the beauty shop and her make-up was perfect too. When she saw Judy, Mrs. Manley had the sweetest smile that expressed how happy she was to see Judy. It was a blessing to see the love shared. Judy, your love, respect and devotion to your parents and them to you is something that will help you in the coming days. I will always remember your Mother's sweet smile, the twinkle in her eyes and her soft spoken words of kindness. The Apostle Paul said to be absent from the body is to be present with the Lord. May you find peace in knowing that she is with the Lord. May God bless you and your family. Love to you all. Ann.
