NO

“ Willene and I were (about)third cousins. We attended and Sharpe's Chapel Church of God and Vandale School together. We shared many happy hours walking the Bay Road from her house to mine and just fooling around as teenage girls did in the 50s. She attended most of the Coggins Reunions in Wynne and all "kin-folk" funerals. She was a good friend and sweet lady.

“ *Ms. Wilene was always the sweetest lady and neighbor you could have. Growing up stayed at her house often, a lot of fond memories and fun times with her. She would do whatever she could for anyone she knew. God has truly gained an angel in heaven. You will truly be missed sweet lady.*
