“ *Shane, Justin, John and Ms. Betty and family. We are so sorry for your loss. There are really no words that could describe Ms. Martha. As her neighbor for many years, everytime she ever saw us outside she always spoke and there wasn't much through the years that we didn't talk about. I don't think she ever met a stranger. When our home burned she was one of the first along with Ms. Betty who came to make sure we all were OK. She is gone on to a far better place now and flying with the angels. She will always be greatly missed. Our thoughts, hearts and prayers are with you all during this difficult time.*

“ I am so sorry to hear about Martha! Although, we were neighbors while living in West Wynne, I didn't truly get to know her until I had the opportunity to work with her. She was a very caring person and could always make me laugh when I was down. Kathy you know me as Marice Clayton. I will keep you and the family in my thoughts and prayers! 🙏💕🙏
