“ ODE TO MARTHA: This is the Martha I knew. The Martha I knew loved fashion... she loved dressing up and going to fancy places. She loved restaurants with tablecloths and cloth napkins and good linens. She loved the finer things of life. She was multifaceted in her approach to life, and lived all of life to the fullest. Her free-spirited nature emerged when she met and married Chris. She was a Child of God, and he blessed her with His nature. She never met a stranger and loved everyone she met. She had compassion for those who had less. She cooked a pot of beans and cornbread for the old fellow at the peach shed. She came down and helped me empty all my cabinets and discard and rearrange dishes. She 'nursed' me through two tough surgeries. She was generous to a fault and would give you the shirt off her back, and more. She accepted others, unconditionally, was non-judgmental and I never heard her say anything injurious or unfavorable about anyone. She was an avid reader. She was a trained vocalist, and former DAR and UDC member. She loved her family, and her extended relatives, with a passion. She was a gourmet cook and could make something out of nothing. She loved entertaining! We all whined and groaned with her when she had her ankle redone, and when she went through and beat Cancer. But beat it she did! She may not have been a good patient but she WAS a survivor. She has left a huge hole in our lives, but so many memories.

Chris, I was very saddened to hear about Martha! Her sister, Wanda, said it all! That was the Martha I loved & knew! Even though I haven't talked or seen ya'll since I retired; I thought of ya'll often! She was most beautiful inside & outside! Always had a gorgeous smile, no matter what! I can't help but smile whenever I think about her! Just like Martha wanted a celebration! She always thought of others instead of herself! I will pray for all of you! I know Tyler & family are also hurting! I'm so thankful you have a lot of families & friends to help you at this time! I will miss her greatly! I considered her a dear friend forever! Love ya'll very much!

“ *I'm so thankful that I finally had the chance to meet 3 of my aunt's who I had not grown up with a year ago this month and Martha Frances was one of the 3. We had so much fun when they were here and continued to have many conversations on the phone afterwards. I'm so blessed to have met such a fun, loving and happy woman. Seems as though she could turn any bad day into a perfect day, she just had that attitude. I will Miss not being able to see her anymore, but thankful I got that one encounter. Love you so much aunt Marti, as I'm sure your keeping everyone and everything in order up there ❤️*
