“ To the children-You have been so blessed to have the mother and dad you did.
I knew them since the were at ASTC. Your dad and I were frat brothers.
They left me with many fond memories that I will remember always.

“ *Mr. & Mrs. Fallis were favorites of mine & Susan's as we made our home in Wynne back in 2000. There was never a time in my recollection that we didn't feel love and respect from both of them. Wherever we saw them it was like a love fest with their warm hugs & good wishes. Always upbeat, positive, congenial & wanting to know how we were getting along. I'll always have a place in my heart that they reside in. Love & peace to the family! Rick*

“ *May God send His Angels to comfort you during this time of grief. Let them wrap their wings around you and continue to bring the love and peace that Mary shared with everyone she met. She was truly and inspiration to all who knew her and loved her, and I am personally sadden by her passing. Mary was always caring and thoughtful to all her family and friends. She truly touched my heart and will be greatly missed. God Bless you at this time and forever. Mark Remington*
