“ I remember going over to mammaw's everyday after I turned 16 and would help her and granddaddy cook, bath, and put the younger cousins to bed, then we would play cards..... She taught me so well that whenever I beat her she'd say I cheated..... I would love to hear her say that one more time!!!!

“ I was the first child that Glendora kept in her Daycare, started when I was 6 weeks old, She was like a second mom to me till we moved at the end of 1972. She made me feel like I was her favorite, but I think she made all the kids feel that way. There will always be a special place in my family's heart for Ms. Glendora!! Love James " Junior" Johnson

*So sorry to hear about your loss. My sister, younger brother, and I were some of the children that Glendora took care of. I remember her, Roger, and all of her children fondly. It has been years since I have seen most of you but just wanted to let all of you know that I remember and that you are in my thoughts. God bless and comfort all of you.*

*To all of the Pickett family, especially Jeanene Maples and her family. My heart breaks for all of you and rejoices at the same time for the peace Glendora now has being free from pain. I know too well how hard it is to go thru such an ordeal with a parent. Glendora was so good to my son when he was a little one. Such a God send. You are all in our thoughts and prayers. Love you, Dona Maples Bowry - Rob, Chris and Becca*

“ Kenneth, I am so sorry to hear this. I was a grade or two ahead of Glendora, but always knew her and called her a friend, as I do you. Thanks again for helping us out at the Downtown Committee with your fiddle. May you be comforted by family and close friends.
