“ Charles,
*I am sorry to hear about Maureen I have not forgotten her. I will always remember her as being so shy. They said she had it pretty rough and my heart goes out to you and your son.
May God comfort you at the time.

“ *I have such sweet memories of Maureen through our school years together in Parkin. Two years ago, I was so saddened to learn of her severe health problems, and am so sorry for your loss.*

“ *Maureen and I went to school together in Parkin. She was so shy and quiet. She was liked by everyone. I knew she lived in Earle and I am so sorry that she is gone.
May God comfort your family.
