“ Mike was my stepfather for the biggest part of my childhood, and remained a kind, generous, and loving father figure every day after his and my mother’s divorce. My children and I were never treated any differently and we thought a lot of Mike. Mike bought my very first stereo which started my great love affair with music. A moment, I’ll never forget. If we were hungry, he cooked. If we needed anything, he never hesitated to try to help. He NEVER made me feel ashamed, timid to ask, and never responded with agitation if I asked for his help with anything. There are not many people like that. Mike’s big personality, his ability to pick every way possible to aggravate you like no other, as if it was the funniest, wittiest thing he’d ever come up with, and his way to make you laugh about it at the same time, his generosity, and kindness will be just a few of the things I will cherish and always remember. Heartbreakingly, I was unable to attend his funeral but he was thought of, prayed for, loved that day so much and he will forever be. Thank you Mike, for always being an ass and calling me beaky, thank you for the playlist that is still on my very first iPod, thank you for my stereo, for all the dinners, and for taking care of my little brother Tyler. I love you and I miss you much! Thank you for everything!

“ ..Mike Was a One of a Kind Man That Might Not Seem Compassionate But He Would Do Anything He Possibly Could For Me Or Anyone Else In Need, Mike Helped Me When I Didn't Have Anything...Much Less Hope....But He Saved Me From The Weather...And I Love Him And Will Never Forget The Amazing Outlooks And Perspectives He Would Share. Rest Easy...I Love You Mike!

“ Mike was one of a kind. He was always helping people out no matter the situation. Every time I needed help, he was always there to help me. He seem to put everyone above his own needs. Every time I needed help with my phone or needed directions for a trip: he was there to tell me the best route to take. We talked every day or I'd stop by for a short visit. He was my best friend and I will miss him greatly. Leon Balch
