“ To Mike's Family: May God grant you strength at this time of loss. I work at the Arkansas Department of Health (ADH) at the main office in Little Rock. I saw Mike almost everyday because we used the same entry/exit doors to the ADH main building. Mike always greeted me with a warm smile and kind words. We would joke around and kid each other. Mike was a great guy who was hard working and dedicated to his job. He will be greatly missed! May Mike Rest in the Peace of Christ ! “ The SPO Frat House was in our attic and I loved getting my daily dose of “big brother” teasing from Mike every week. My friends liked to come hang out on the front porch on Sundays just to watch Mike and Clifford come and go, because all the young girls had such a crush. He was such a sweet guy and never stopped being my big brother over all these years. I loved him, as did anyone that knew him He will surely be missed. Sending love and prayers to you guys in this difficult time. 🙏

“ The day I became a member of Sigma Phi Omega is the day Mike became my "Big Brother". The bond we shared through that association grew into a brotherly love that spanned decades. I could share many memories! Instead I would like to characterize the man I came to know and love. Mike has always been a loyal friend who would stand by your side in spite of right or wrong. His giving nature and loving heart have always been available to anyone who needed help or a simple kindness. Mike has always understood the true nature of friendship. This is a quality that made him a fierce advocate for those he cared about. I could not have asked for a better brother or a truer friend.
