“ Mike was one of best friends while in Pharmacy School. I'm sorry to hear of his passing although our paths never crossed since school. Many a John Denver songs were sung by Mike in our rooms. He was the life of the hall. If you needed your spirits uplifted, Mike was there to talk and give of himself. I won't forget the first day I met him....a hot day in August 1973 moving into the dorm at UAMS while I was going up and down the stairs carrying my stuff to my room, I kept on hearing a guy playing his guitar and singing. On my last trip to my car, I stopped and asked this guy to go have a meal and a cold beer, our friendship began. Life seems so short, I have nothing but great memories of Mike. I pray that his family remember the great times. RIP my old friend.
