“ Our family is very sad to learn of Michael's passing. They were family friends for many years and we enjoyed having them join us for many Thanksgiving and Christmas lunches. He was a really nice guy and we will miss him. Grace and peace to all his family from ours.

I'm very sorry to hear this , Mr Michael and Mrs. Margaret were good friends of my family. My mother drank coffee with Mrs Margaret daily and we used to care for their cats when she and Mr Michael would travel out of town.
