“ *What a blessing it has been to have had you as a true, one of a kind, honest, dependable, trustworthy, unpretending, humble friend. I will always see you. I will always hear your laugh. I can picture you dancing around the campfire, like a native indian, or walking through the woods softly with your moccassins on. I believe you know how to skin any animal and probably have :) i have enjoyed the calmness and serenity that comes from just being around you, you are a patient and humble soul. thank you for all that you are and all that you do. You are in my heart and I love you always and always.*

“ *Mike was one of my classmates from CCHS. He was always the one that kept everyone laughing. When I first heard he was sick, we started praying for him and I would send him a card ever so often. Although my husband, Jeff, never meet him, if I forgot to pray for him, Jeff would remember and pray for Mike. And in these days since he has passed Jeff was remembering all of Mike friend's and family in prayer. Thanks to Mike there has been a lot of the laughter wherever he has been! We will see him again, when we all get to heaven!*

“ Mike was a very good friend and neighbor to me for 10 years in Rogers. I wished a full recovery for him when he got sick and thought he was on his way. The world lost a upstanding, good natured, and talented man, when it lost Mike. I am very fortunate to have crossed paths with him. My deepest sympathy to all who loved him.
