“ I dated Luther at age 19: We would go to Lois' house for him to shower and change clothes. She was very sweet to me and kept me up to date on Luther. I was very hurt to hear of his death. They both had a special place in heart.

“ To Tommy- my beloved Uncle and my friend.

*My heart aches at the passing of Aunt Lois. I know she is greatly missed by you and her sons, but she walks now in a place of both peace and jubilation. She is still very much loved and that will not pass away. Know that you are also loved by your family and though my body is broken I am here for you in mind and spirit. I will miss Aunt Lois and I miss seeing you.*

*Your nephew, Scott Sutherland.*

“ So sorry about your mother. She was a beautiful lady. I know it was hard raising 5 boys but you were there for her in the end. Take care of your daddy.
