“ I sent you a candle so you can find your way. Your boys will be ok, they are sad and miss you very much. Let me tell you Brayden will be the strongest, I talked to him and I told him, you know your grandmother love you soooo much, but you will see her, again . He's replied, we all will see her again and you know she loves you. So he is strong and a blessing. Miss you, Nancy

“ A memory about Nancy, I have so memories of my friend. I love her parents, they have always treated me like family. All I can say at this time, Nancy was there for me at one of the hardest times in my life, some days I didn't know if I could do it, but here I am. I will miss you more than you will ever know. I Love you, To The Moon and Back!
