“ Judy, I am so sorry I missed your Mom's passing! Don't know how I did, but sorry I missed seeing you and sharing your loss. She was the sweetest lady and always had a sweet smile on her face and could make my day better by just seeing that smile. God bless you and your sisters and remember they are never really gone, close your eyes and think about her and she will be there, I do that with mother and I can begin to smell her perfume. love ya, Ann
